Make a Gift

Check out the ways listed below to make a gift to A2S or reach out to Laura Knight at laura@a2sfoundation.org to start your giving conversation.

Join a Community FaithFuel

Get connected to your impact through our community of prayer: FaithFuel. FaithFuel is A2S's monthly giving program where we share stories of our beneficiaries alongside their prayer points for the month. Our kids pray for our donors every day, and this is a way for our donors to pray intentionally for our kids as well as they provide monthly financial support that sustains our activities.

To sign up visit a2sfoundation.org/faithfuel or email Laura Knight at laura@a2sfoundation.org

VOLUNTEER

Packing Day

We hold 4-6 packing days each year where we request a small team of volunteers to sort, record, pack and box items to be shipped to Nigeria at our Morningstar Storage Facilities in Cornelius. This is generally best for a team of 4-12 volunteers.

Counting & Sorting Donations

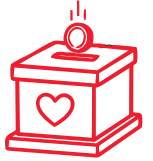

Separate to packing day, we often get so many donations that we need volunteers to separately sort and count the items for us and input the data in our inventory. This is generally best with 1-3 volunteers. We sometimes have a need for volunteers to pick up clothing or shoe donations too from others.

Event Committee or Event Volunteer

We have a HUGE need for volunteers to serve on our event committees. Volunteers should be 16 and above as joining a committee requires a high level of personal accountability and autonomy. Committee work includes securing auction items, soliciting donations, preparing/creating decorations, set up and break down, and more. Committee commitments are generally for 2-4 months at a time. Our biggest 2 events are our golf tournament and Soulful Supper each year.

Host a Fundraiser or Shoe Drive

Host a Hoops for Hope shoe drive at your home, school or church or raise money through local business support through a benefit night. Offer to host a small gathering in your home or business or set up an online fundraising page. You can even raise funds by getting people to sponsor you for a local 5K!

Mentor an Entrepreneur

We have more than 450 entrepreneurs in our Entrepreneur Empowerment Programs in need of business expertise assistance and mentorship. This opportunity is best for high-level business professionals or established entrepreneurs. We also have opportunities for you to present via Zoom at our professional development workshops/conferences if you have a particular topic you'd be willing to share.

Assist with Professional Staff Work

Students in high school or college may want to gain professional work experience for school credit or volunteer hours through short-term projects at our office in Davidson, NC. We generally have a high need for students proficient in: photo/video editing and social media, data input, event planning, and more. Paid internships are also offered each summer, but they are highly competitive. We recommend a volunteer opportunity prior to applying for an internship.

Upcoming Events

PARTNER WITH US

Give In-Kind

While we source what we can locally in Nigeria, most of our clothing and technology supplies are actually shipped from the U.S. Does your company have like-new clothing, shoes, or computers to donate? Contact Laura Knight at laura@a2sfoundation.org for more information and a full list of accepted items.

Sponsor an Event

Whether it is our hallmark Soulful Supper Fundraiser in the fall or sponsoring our Pitch Competition in Nigeria, there are many ways to have an impact with your company at A2S. Email Laura Knight for more details at laura@a2sfoundation.org

Connect Your Church

From hands-on volunteer needs, to participating in our FaithFuel Community, there are several ways to get involved with A2S as a church community. Email Uchechi Ufochukwu for more information at uchechi@a2sfoundation.org
